THE NAME SAYS IT ALL

AFS have added the **Protect Crete** products to their range of leading accessories to service the Flooring Industry throughout Victoria, NSW and ACT. **Ugo Tettamanti** of AFS says, "AFS is well known to supply the best service and leading brands of accessories to the flooring Industry throughout Victoria, NSW and ACT and is delighted to have the Protect Crete products on board which offers the fastest, safest and most cost effective moisture sealing system available in the market place today. We have watched the market success story of Protect Crete especially over the last 2 years, proving to be the market leader in this area and we are in the business to ensure that we have the best available products and latest technology available for our customers. I have personally known **Terry Lucas** for almost 20 years from his Vibro days and certainly look forward to working with the whole Protect Crete Team in supplying excellent technical service, support and training etc to all of our customers."

Ugo Tettamanti welcomes **Terry Lucas** to **AFS Mitcham** branch prior to commencement of comprehensive training of all AFS staff through out Victoria, NSW and ACT.

Some of **AFS Canberra's** team demonstrating Moisture-Fix's gel effect back to **Terry Lucas**. L to R **Ray Banks, Danny Colbertaldo, Dave Heritage** and **Jason Metz**.
